

USA Prime Southeast Scout Program

Training Camp Dates (Dates are TBD)

- Dates are currently being finalized and will be announced soon

What is the Scout Program?

The **USA Prime Southeast Scout Program** is designed exclusively for all **13U and 14U players** within our organization, expanding to include players across the **entire Southeast region**. This initiative serves as **our version of Spring Training**, providing a structured and high-level training environment to further develop our players' skills and knowledge of the game.

Program Overview

- **Advanced Player Development:** Focused on refining individual skills, improving baseball IQ, and enhancing overall athletic performance.
- **High-Level Coaching:** Led by experienced USA Prime Southeast coaches, including former collegiate and professional players.
- **Position-Specific Training:** Drills and coaching tailored to the unique needs of each player's position.
- **Competitive Environment:** Live gameplay scenarios to simulate in-game pressure and strategic decision-making.
- **Scouting & Evaluation:** Our coaching staff will assess players, identifying strengths and areas for improvement while tracking their progression.

Why the Scout Program?

- **Preparation for High-Level Play:** Helps players transition smoothly into their summer and fall seasons by sharpening fundamentals and reinforcing proper mechanics.
- **Exposure to Scouts & Coaches:** Provides an opportunity for players to be seen by top-tier coaches, potentially opening doors for future opportunities.
- **Comprehensive Training Approach:** A structured program focused on skill development, conditioning, and mental toughness.
- **Team Cohesion & Growth:** Builds chemistry among teammates while fostering a competitive yet supportive learning environment.

Who Can Participate?

All **13U and 14U players** registered within the USA Prime Southeast program across the **entire Southeast region** are automatically enrolled in the Scout Program. Attendance is strongly encouraged for players looking to maximize their development and performance.
